# **OUR STORY**

#### A HISTORY OF SUCCESS

#### HIGHEST STANDARDS SINCE 1971

Welcome to the Gallery brand of kitchens from Symphony, one of the UK's leading suppliers of fitted kitchen, bedroom and bathroom furniture. Symphony has been making kitchens in Yorkshire for over 50 years and are constantly investing in ways to improve the quality of our products to create the perfect living space.

#### PRODUCT QUALITY GUARANTEE

Each piece of furniture from symphony is assured with a 10 year guarantee. Symphony has quality control systems that are accredited to BS EN ISO 9001:2015, plus all Gallery kitchen furniture passes the FIRA Gold product certification. FIRA's ongoing auditing procedures continuously benchmark our performance, giving you the peace of mind that you are acquiring quality furniture that is built to last.

#### HAND PICKED RETAILERS

Symphony has carefully selected and built strong relationships with your local retailer so that you can enjoy purchasing your new kitchen. This means you get the best choice of kitchens to suit your lifestyle and a design service from experts that help create the space that is right for you.

#### MADE IN BRITAIN

All our kitchens are Made in Britain and the wood we use to make our furniture is FSC®certified. We set the highest standards in design, manufacture and customer care and continue to invest in our manufacturing facilities, across 4 sites including two state-of-the-art factory's built to BREEAM standards at our head office in Barnsley.

# WITH OVER 50 YEARS OF EXPERIENCE WE UNDERSTAND THE IMPORTANCE OF OPERATING IN A RESPONSIBLE, SUSTAINABLE MANNER

We are proud of our history of innovation and continuously review and enhance our operations to ensure that Symphony is a leading example of sustainability within our industry.

Visit www.symphony-group.co.uk/sustainability for more information.

#### PRODUCT SUSTAINABILITY

With our furniture being timber based we ensure that the wood we use is sourced from responsibly managed forests. We became the first in the industry to be certified with a full Forest Stewardship Council® (FSC®) chain of custody. We also strive to use recycled content where we can and we only use water based paints.

Our door and drawer fronts include ranges with 100%, 90% and 50% recycled content. We also offer foil decors made from 70% recycled PET (reclaimed & recycled plastic bottles).

All of our plastic cabinet legs are made from 100% recycled plastic and our cabinet chipboard is manufactured from 57% recycled content.

We ensure that the timber based wood we use is sourced from responsibly managed forests and is FSC® certified.

We hold the accolade as Britain's first large furniture manufacturer to convert our painted products from solvent to an eco-friendly water-based option.

#### SUSTAINABLE OPERATIONS

Sustainability has always been a key focus of our operations. We have been awarded the ISO 14001:2015 standard for our Environmental Management Systems across all four sites and we are proud to be the first in our industry to achieve this.

Our delivery fleet is amongst the most fuel efficient on Britain's roads, plus we include Hybrid Electric Vehicles in our company car fleet.

Our manufacturing site is fueled by our 100% recirculation biomass fired boilers to optimise waste and minimise emissions. 0%

None of our manufacturing waste is sent to landfill and our literature is now produced on carbon balanced paper.

### KITCHEN TRENDS

Let us inspire you, with our latest trend-led colours and decors including; sustainable materials and textured finishes, plus our new paint to order colours.

#### **COLOUR**

Whilst white and subtle kitchen shades will always be in style, darker decadent shades are a popular choice. The use of metallics, mixed materials and pops of contrasting colour can also make a statement. Popular colours include accents of Reds, Greens, Blues and Blacks.

#### **TEXTURE**

Add depth and interest to your kitchen space by choosing a decor with textured detail. Popular textures include: sustainable woodgrains such as Grey Driftwood and Dark Walnut, industrial styles such as Concrete and natural inspired decors with a modern twist such as Dark Stone.

#### **DESIGN**
