Everything has a place IN A WELL DESIGNED SPACE

With an Urbano bedroom there is a place for everything with carefully designed storage options incorporated into both freestanding and fitted furniture styles. Hanging rails, push to open drawers and compartment dividers are some of the internal storage options available to help create a clutter-free bedroom.

TIRED OF HAVING NO STORAGE SPACE?

Is your wardrobe currently cluttered with clothes struggling to fit in and the inability to find something when you need it most? Then why not upgrade to an Urbano wardrobe with storage solutions to fit around you and your lifestyle?

WITH STORAGE SOLUTIONS TO SUIT YOUR NEEDS

Cleverly designed internal options can be incorporated around you and your lifestyle. Full height hanging for dresses or half height hanging for shirts can be designed along with larger shelving options for those bulkier items.

UPGRADE TO AN URBANO WARDROBE

An Urbano wardrobe can be designed into the space available in your bedroom and included with an abundance of internal options such as shoe racks and internal drawer options to ensure that everything has a place. The end result will leave you with a clutter free bedroom that you'll be proud of.

Storage FOR HIM

Internal options to suit your needs. Double hanging can be included for shirts and jackets, whilst shelving columns are perfect for those folded items. Additional larger spaces and push to open drawers can hold those bulkier items such as duvets and pillows.

CREATE YOUR DREAM BEDROOM

in 5 easy steps

- 1. FIND THE LOOK**

Carefully consider furniture styles that co-ordinate well with the design of your home. Take inspiration from your existing en-suite if you have one, or additional prized possessions in other areas of your home. This will steer you towards either a sleek and contemporary or warm and traditional style to help create a bedroom environment to be proud of.

- 2. PLAN YOUR BEDROOM**

Look at the space available and think about who will be using the bedroom. Plan in wardrobes, chest of drawers, bedside tables and a headboard that fits around you and your lifestyle. Consider storage options that include ample space and are easily accessible for those much needed items.

- 3. CONSIDER YOUR STYLE**

Choose from numerous style options from freestanding contemporary designs to a more classic fully fitted look. Additional sliding doors or front frame cabinets are available to ensure that Urbano has every specification covered. All with a range of internal options and ample storage space to suit.

- 4. STORAGE REQUIREMENTS**

A place for everything. With an abundance of storage options to choose from, the design options are endless. Carefully consider who will be using the bedroom and design the furniture around your lifestyle. Full cabinet wardrobes are available with internal push to open drawers and compartment dividers to ensure that everything has a place. Additionally, chest of drawers are the perfect option for folded items, whilst bedside tables provide easy access for those few essential bits and pieces.

- 5. VISIT A RETAILER**

With an abundance of finishes and handle options to choose from, including the option of mix and matching colours, you can design your bedroom to be in keeping with the style of your home. Subtle woodgrain, shaker matt or muted finishes offer a warm and homely feel, whereas high gloss or flat matt options are a designer's dream, offering a contemporary style. Ensure that the finishes co-ordinate well with the walls, flooring and accessories chosen to help transform your bedroom into a place of relaxation.

OUR APPROACH

IN HARMONY WITH THE PLANET

WITH OVER 50 YEARS OF EXPERIENCE WE UNDERSTAND THE IMPORTANCE OF OPERATING IN A RESPONSIBLE, SUSTAINABLE MANNER

Our latest range of bedroom decors are offered in a wide choice of colours and finishes and are made from varying levels of recycled material, thanks to our state-of-the-art manufacturing facilities.

Scan or Click the QR code for more information.

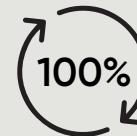

Product Sustainability

With our furniture being timber based we ensure that the wood we use is sourced from well-managed forests and other controlled sources. We became the first in the industry to be certified with a full Forest Stewardship Council® (FSC®) chain of custody.

Our ranges include decors with various levels of recycled content, including 100% recycled board and foils made from 70% recycled PET (used plastic bottles).

All of our plastic cabinet legs are made from 100% recycled plastic and our cabinet chipboard is manufactured from 74% recycled content.

We hold the accolade as Britain's first large furniture manufacturer to convert our painted products from solvent to an eco-friendly water-based option.

Sustainable Operations

Sustainability has always been a key focus of our operations. We have been awarded the ISO 14001:2015 standard for our Environmental Management systems across all four sites and we are proud to be the first in our industry to achieve this.

None of our manufacturing waste is sent to landfill and our literature is produced on carbon balanced paper.

Our delivery fleet is amongst the most fuel efficient on Britain's roads, plus we include Hybrid Electric Vehicles in our company car fleet.

Our manufacturing site is fuelled by two 100% recirculation biomass fired boilers to optimise waste and minimise emissions.

Sell your old bedroom and reduce waste

By selling your old bedroom with The Used Kitchen Company (TUKC), you can dramatically reduce your home renovation waste and earn money to put towards your new kitchen project. Contact TUKC for a quote today.
